This beautiful island opens its arms to visitors, inviting you to discover an abundant natural beauty and vibrant culture for yourself.

Discover the effect of a vast tidal range; making the island grow by half again at low tide. Head inland to meander on foot, bike or by car through the lush green lanes. Then take to the high seas to surf, dive or charter a yacht and explore Jersey's hidden coves and coastal treasures for yourself.

The Club Hotel & Spa is the perfect complement to the natural beauty of its island home.
